

## ABOUT US

Infosim GmbH & Co. KG is a software vendor and value-added reseller headquartered in Würzburg, Germany.

We have international subsidiaries in Singapore and Austin, TX. Our main three areas of operation are:

- Unified Network & Services Management with our award-winning product StableNet<sup>®</sup>
- Business software based on Microsoft<sup>®</sup> Dynamics NAV
- Individual software development

Strong growth in our StableNet<sup>®</sup> division necessitates the expansion of our team in the HQ office in Würzburg, Germany. Therefore, we are recruiting for the position of

# (Senior) JAVA DEVELOPER

## YOUR AREA OF RESPONSIBILITY

- Work with other engineers to maintain our application StableNet<sup>®</sup>.
- Implementing, troubleshooting, and further development of StableNet<sup>®</sup> in close cooperation with the customer.
- Enhance existing features and take part in designing and implementing new functionalities.
- Design and implementation of web front-ends and new interfaces to external systems.
- Implementation of exciting projects with future-oriented technologies in collaboration with our Java developer team.

## YOUR SKILLS

- Master/Diploma degree in computer science, or comparable credentials with work experience.
- Experience in JEE application (EJB) and SQL database (e.g. Oracle, MySQL).
- Ability to structure and prioritize tasks independently and in accordance with roadmaps or project plans.
- Experience with Linux (RedHat/CentOS) and Windows servers.
- Expertise in common XML- and web technologies (REST, SOAP, JSON).
- Appropriate network knowledge (IPv6, TCP/IP, SNMP, MPLS) is of advantage.
- Fluent written and verbal communication skills in English.
- Significant team- and communication skills as well as enthusiasm with working in agile development teams.

## WE OFFER

- Challenging projects in an international environment with relaxed command structures.
- Excellent possibilities for personal development and additional training for professional and career growth.
- Friendly and informal work environment with flexible hours.
