ANGULAR DEVELOPER (M/F/D)

Do you want to influence the constantly growing software industry?
Develop with us the future of network management

The Infosim GmbH & Co. KG is an international software vendor and value-added reseller headquartered in Würzburg, Germany. With international subsidiaries in Singapore and Austin, TX.

Our main three areas of operation are:

- Unified Network & Services Management with our award-winning Product StableNet®
- Business software based on Microsoft Dynamics 365 Business Central
- Individual software developments

Strong growth in our StableNet® division necessitates the expansion of our team in the HQ office in Würzburg, Germany.

YOUR AREA OF RESPONSIBILITY

- Work with the development team to maintain and develop our application StableNet®
- Support the development team with the implementation of new and existing functionalities
- Take part in the design and implementation of new interfaces for external systems
- Implementation of exciting customer projects
- Option to join research projects

YOUR SKILLS

- Master/Diploma degree in computer science, or comparable credentials
- Experience with Angular 2+/React
- Knowledge of Typescript/ES2016 and onwards
- Confident in using SCSS
- Experience with Unit/E2E-Testing with Jest/Karma/Jasmine/Protactor/Selenium
- Experience with State-Management with Flux/Redux/Mobx or similar, as well as with GraphQL
- Experience with usage and design of REST-interfaces
- Fluent written and verbal communication skills in English
- Significant team- and communication skills as well as enthusiasm about working in agile development teams

OUR BENEFITS

- Friendly and informal work environment with relaxed command structures
- Exciting international projects
- Many opportunities for further education and training
- A broad spectrum of social activities, such as team events or tickets for the Handball Bundesliga
- Workplaces with panorama view over Würzburg and the Marienberg fortress
- High level of research and innovation
- Flexible working hours
- Ideal location on Hubland North with direct access to public transport and shopping area nearby
