

# QUALITY ASSURANCE ENGINEER (M/F/D)

**Do you want to influence the constantly growing software industry?**  
Develop with us the future of network management

The Infosim GmbH & Co. KG is an international software vendor and value-added reseller headquartered in Würzburg, Germany. With international subsidiaries in Singapore and Austin, TX.

Our main three areas of operation are:

- ❑ Unified Network & Services Management with our award-winning Product StableNet®
- ❑ Business software based on Microsoft Dynamics 365 Business Central
- ❑ Individual software developments

Strong growth in our StableNet® division necessitates the expansion of our team in the HQ office in Würzburg, Germany.

## YOUR AREA OF RESPONSIBILITY

- ❑ Join our work on product evaluation, the gathering of system requirements, testing activities, as well as the recommendation and implementation of solutions
- ❑ Maintain and extend the existing tests and QA infrastructure
- ❑ Improved quality assurance through (extended) test automation
- ❑ Cooperate closely with the development team to optimally coordinate test activities and to assure the best possible feedback of the QA procedures to the development process
- ❑ Ensure compliance with standards for designing and deploying technical solutions

## YOUR SKILLS

- ❑ Master/Diploma in Computer Science or comparable qualifications
- ❑ At least three years of work experience in related fields (QA, Testing)
- ❑ Experience with JAVA EE
- ❑ Good German language skills & profound English knowledge

## ADDITIONAL ADVANTAGES

- ❑ Know-how in network services, network design and system and network virtualization as well as in typical network technologies
- ❑ Knowledge in testing Angular projects
- ❑ Practised in dealing with Maven and git
- ❑ Experience with automated test tools such as Selen, JUnit, Mockito, FitNesse or comparable Java test frameworks
- ❑ Database experience in MariaDB and Oracle
- ❑ Practised in dealing with Linux and Windows servers

## OUR BENEFITS

- ❑ Friendly and informal work environment with relaxed command structures
- ❑ Exciting international projects
- ❑ Many opportunities for further education and training
- ❑ A broad spectrum of social activities, such as team events or tickets for the Handball Bundesliga
- ❑ Workplaces with panorama view over Würzburg and the Marienberg fortress
- ❑ High level of research and innovation
- ❑ Flexible working hours
- ❑ Ideal location on Hubland North with direct access to public transport and shopping area nearby
